## CLOSING OUT SALE

Owing to certain unavoidable conditions the E. A. Durkee Piano Co., are obliged to close out their entire stock of

**Beautiful High Grade Pianos,  
Player-Pianos and Phonographs  
at about one-half the usual retail price**

## This is a Bonafide Sale

**The Entire Stock Must be  
Closed Out by Oct. 1st**

According to the terms of our lease, viz: one year with the privilege of five, we must either vacate the store premises we now occupy, by Oct. 1st, or hold the building four years longer. This will be impossible for us to do, as physicians advise that owing to ill health in the family, we must avoid the rigorous Michigan winters and must spend the winter in Florida. We determine, therefore, that everything must go, REGARDLESS OF COST.

Those who contemplate the purchase of a piano should call early, while we still have a large stock to select from, and take advantage of the extremely low prices we are offering in this clearing out sale. Easy terms if desired.

All these pianos are FULLY GUARANTEED by the Kohler and Campbell Industries, the largest piano corporation in America. Two used pianos in stock. We will return to resume business in Alma in the Spring.
